### From the Presidents Mic!

QST! QST! de **WA4ZXV, Norm Schklar**

Well, the truth is in the puddin'. I attended the VE testing this past Sunday afternoon. The activity was high, and we have a whole new group of HF operators and new hams. It was really refreshing to see how many folks were ready to take the test for the first time, or upgrade without the need for CW. If all the testing sessions had the same turn-out as GARS, then there should be a lot of activity on the bands in the next few weeks. There weren't as many young folks as I would have liked to have seen, but we'll need to work on that. Hats off to the Volunteer Examiners, they take an afternoon every month to help others get licensed or upgraded.

Elections are over, and we're starting a new year. Same ole crew, but we're just getting started. I can't speak for the rest of the officers, but I'm proud to be elected, and I'll do my best to continue the GARS tradition. Because of members like **you**, GARS is a great organization.

I worked the ARES practice activation this past weekend. I'm one of those folks that think years of experience, past military communications, and old age should make me prepared for anything. Well, let me tell you. I had most of the gear, but thinking through what would really happen in a live situation made me realize how important it is to practice. We weren't all that busy, but that just made it easier to imagine what would happen if we were passing real messages for folks needing to get information into and out of a devastated area. I was with the Mobile Communications Facility, so I watched the guys get into operation within a short time. While there, for practice, we deployed 2 separate portable antennas. Both went up without any hitch. If you have the opportunity to participate in one of these exercises, do it. Just like me, you might learn something.

Next month, we have the opportunity to display and participate in a scouting event up on Lake Lanier. Earl will be asking for folks to help out. This is a great opportunity for us to recruit some young folks into the Amateur Radio ranks. Help if you can!

Don't forget that daylight savings time is different this year. Your computer needs to have the latest updates to be sure it changes time on time.

Need something to do? Monday night net, Wednesday night net, Saturday breakfast, monthly meeting. Hope to see you at one of them soon!

73 es hp to cu agn sn de Norm, WA4ZXV

## The GARZETTE

*The GARZETTE* is the official monthly organ of the Gwinnett Amateur Radio Society serving its members and other persons interested in the advancement of the amateur radio art.

Original articles, art, and photos are invited and encouraged. Previously copyrighted submissions cannot be accepted for reprinting unless permission from the appropriate publisher is provided in writing along with the information being submitted. If reprints are from publications allowing their unrestricted use, please include a copy of the printed permission contained in the publication.

If possible, bring your articles to the monthly meeting in Microsoft Word format or email to [ka4kkf@arrl.net](mailto:ka4kkf@arrl.net). Artwork can be accepted in most any graphics format and can be submitted via email to the same address. Alternate means of submittal can be arranged when necessary. In keeping with the amateur radio spirit, permission is hereby granted for the reproduction of *The GARZETTE* articles by other amateur radio club newsletters provided that proper credit is given to the individual author and to *The GARZETTE*.

## GARS Recurring Calendar

- Monthly club meeting is the 2nd Tuesday of the month at 7:30 PM. Check the Web Site for Location.
- Every Monday at 8 PM local time: GARS Want, Swap, Sell, and Information Net on the GARS 2 meter repeater
- Every Wednesday at 9 PM local time: GARS 6 meter net on the GARS 6 meter repeater
- Every Saturday at 7:30 AM local time: GARS Weekly Family Breakfast, Golden Corral Restaurant, Riverside Drive, Lawrenceville
- 20th of each month: Deadline for submittal of articles for the following month's GARZETTE

### General Meetings

**April 10**      **September 11**  
**May 8**        **October 9**  
**June 12**      **November 13**  
**July 10**  
**August 14**

### We are on the internet

Check out our web page at [Http://www.gars.org](http://www.gars.org)  
 You can find the latest news and information about the club.  
 You can also find the GARZETTE.  
 The home page has a link to add you to the GARS mail list at Yahoo groups.

The GARZETTE is published each month with the assistance of Hal Manning, who prints the news letter. Rick Patchin, KD4RFK does the final production work on *The GARZETTE* by folding & labeling. Bill Cherepay, WB4WTN, stamps and gets the end product to the Post Office each month. Norm Schklar, wa4zxv, manages email delivery. Many thanks to each of them and all article contributors. Deadline for submissions is the 20th of each month for inclusion in the following month's issue.

Peachtree Rd/Wieuca, 10 AM

February GARS General Meeting

February 13, 2007

Norm Schklar, WA4ZXV, President, opened the meeting.

Thanks were given to all that participated with the dog show in early February. The check has been received.

Introductions were made and eleven first time guests were recognized.

John Davis, WB4QDX, announced a Sky Warn class for March 13 from 7-9 at the Gwinnett Emergency Center on High Hope Road. Attendance is limited to 50 and sign up information is available on the Gwinnett ARES site ([www.gwinnettares.org](http://www.gwinnettares.org)).

Norm announced that the ARPS system has been upgraded and Dave Bruse, W4DTR, (Program Manager) gave an excellent explanation of ARPS.

The report of the nominating committee was announced

President – Norm Schklar, WA4ZXV (incumbent),

Vice-President – Earl Whatley, AF4FG (incumbent),

Treasurer – Amy Woodrick, KE4IKF (incumbent),

Program Manager – Dave Bruse, W4DTR (incumbent), and

Secretary – Randy Collins, N4COR.

Nominations from the floor would be accepted and the election would be held after the break.

The minutes from the January meeting were approved with one correction. Dave Bruse, W4DTR, should have been listed as Program Manager, not Activities Manager.

The prizes for the Chili Cook-off at TechFest will be awarded at the next meeting.

Committee Reports:

Membership – 2 new members were presented and voted into full membership:

Bob Drumm, KG4SJS, Technician Class, and

Herb Allen, KI4RMC, Extra Class.

James Drumm, N2FOF, General Class, was welcomed back.

Program Manager - reported that tonight's meeting would be presented by Robin Cutshaw on D-STAR.

The March meeting will be by Mike Swiderski, K4HBI, on trouble shooting and the American Red Cross Disaster Action Teams (DAT).

Earl Whatley, AF4FG, Vice President, reported on the Scout Spring Fling on March 17 at Scout Land and Lake Lanier. This is an event for Cub Scouts and Webelos, and operators are needed.

Norm asked if there was any interest in operating a club station in a contest and Scott Hartlage, KF4PWI, suggested a fox hunt. There was not significant interest expressed in either event.

Reports:

Treasurer – Amy Woodrick, KE4IFK, reported that she was converting to Microsoft Money and did not have a printed report ready. However, the dog show check in the amount of \$1,200 has been received.

Repeater – Eddie Foust, WD4JEM, reported that the generator had been tested and is working; the 6 meter net is getting some check-ins; and the four receiver sites are all operational.

Scholarship – One application was received and a vote will be taken after the break.

Scott Hartlage, KF4PWI, presented a mini program on a 6 meter hopper dipole antenna.

Bill Cherepy, WB4WTN, presented a mini program on weights for tree-mounted wire antennas.

Norm read a note of thanks from St. Marguerite D'Youville Church for our donation.

Break

Earl Whatley, AF4FG, Vice President, reviewed the scholarship rules and it was moved and seconded to award the scholarship to Andrea Hartlage, KG4IUM.

Elections – there were no nominations from the floor and it was moved and seconded that the slate proposed by the nominating committee be accepted by acclamation. This was accepted by the members present.

Program – Robin Cutshaw, AA4RC, presented a very interesting program and demonstration on D-STAR.

Door prizes were awarded.

Norm announced that someone is needed to handle apparel orders and sales – send an email to him at [wa4zxv@arri.net](mailto:wa4zxv@arri.net) if you are interested.

Adjourned: The meeting was adjourned at 9:30 pm.

Prepared by Randy Collins, secretary (no longer acting)

### Have Breakfast with GARS

GARS has a social breakfast on Saturday mornings at the Golden Coral on Riverside Drive in Lawrenceville. We usually get there about 0730 and leave about 0900 or 1000. We talk radios and solve the problems of the world. We even have a qso with w4ade in Florida over echolink.

It is a great time to meet and eat. The food is very good too.

The Golden Coral is behind Pike's nursery at the intersection of Riverside Drive and Hwy 120 in Lawrenceville.

Someone will be on the repeater too.

Hope to see you there.

Do you know a boy or girl  
14 to 21 years old  
who wants to:

Climb, Hike  
Canoe, Camp  
Talk on an amateur radio  
Have Fun  
Tell them about

## Venture Crew 73

**We meet the second Tuesday  
of each Month at 7:00PM  
prior to the GARS meeting at  
St. Marguerite D'Youville  
Church..**

### Editor's Corner

It is spring time. The weather is getting nasty with thunder storms and the pollen is getting heavy too. Are you a member of Gwinnett ARES? It is a way you can serve your community with amateur radio. Check out the web page and get involved. ( <http://www.gwinnettares.org/> )

If you would like to do more or get more training there is the CERT classes.( Community emergency response team)

Radio activity should be increasing. If you are new and want some help, attend a GARS meeting and ask. There are a lot of people that have been around awhile. This is a great adventure. You can make antennas, radios, digital interfaces, and much more. Experiment and learn about electronics, radios, computers, etc. The possibilities are endless and only limited by your imagination.

The 6 meter net on Wednesday nights is growing. If you haven't tried 6 meters yet, jump in with both feet. This is a great place to rag chew and ask for information. You will never know who may show up on frequency.

If you have ideas for the GARZETTE, please send them to me. KA4KKF@ARRL.NET If you find correction that need to be made send them too.

73,

David

KA4KKF

**GARS Specialist  
Top Negotiator  
Top Agent**

Helping "HAMS" with the Sale and  
Purchase of their properties takes  
Extra Time, Effort and Dedication.  
Not every agent is willing to make  
that Commitment.

Call me for when You or Your Friends  
and Family are ready to Make a Move.
